Exchange Students

With the beginning of our senior year came Rune Berby from Oslo, Norway. He enjoys photography, and is a master with all cameras. For sports high on his list is playing soccer. Rune contributes much to class discussions and has also filled a special place in the graduating class.

A very special member of the senior class is Suzanne Trnka from Lucerne, Switzerland. Suzanne is very talented in all forms of fine arts. Currently she is receiving lessons and dancing in ballet programs in Boston. Her work in the ceramic arts and photography have been on display at the high school. Many have enjoyed meeting her through presentations to the school committee, clubs, and area teacher groups. We all find her a beautiful addition to the Class of 1980.

"When I look back over the seasons, one thing sticks out in my mind. This season was probably the third best year we've had in the eight years I've coached. They were the back bone of the team, and they brought football back to East Bridgewater."
